LAUNCH X-431PAD III

X-431 PAD III

**NEW
ARRIVAL**

X431 PAD III is a brand-new high-end car fault diagnostic device developed by launch based on android system. In addition to inheriting many advantages such as wide coverage of special functions and car models, powerful and a large number of diagnostic functions and accurate test data, X431 PAD III also firstly introduces intelligent diagnosis technology, which makes maintenance more intelligent and efficient.

Address: 5B, Extension, first floor, APIIC, IE, Prashanthi nagar, kukatpally, **Hyderabad-500072**
Visit: www.launchindia.in **Contact:** +91-9393656544

➤ Online Programming

- Online Programming for Engine Electronics
- Online programming for Brake Electronics
- Online programming for Gateway Data bus
- Online programming for Air Bag
- Online programming for Instrument Cluster

➤ Features

- **Intelligent Diagnosis:** Identify the car model by VIN scanning and check historical maintenance and diagnostic record online
- **Special function:** Support 15 special functions including OIL Reset, Throttle adaptation, Steering angle reset, Electrical parking brake reset, Tire pressure reset, Anti-Theft matching, ABS brake bleeding, battery matching, Gear learning , Injector programming, DPF reset, Sunroof Initialization, Headlamp matching, suspension matching and AT matching.
- **Wide car model coverage:** Support most of the car from ASIA, Europe and America such as Maserati, Ferrari, Rolls-Royce, Bentley, Benz, BMW and AUDI etc.
- **Extended function:** Support the models “sensor and multimeter”, “Battery Detection”, Oscilloscope” and “Endoscope”
- **Remote diagnosis:** Remote diagnosis between workshops.

* Features may vary by make, model and car electronic systems.

➤ Support Brands:

Europe	SKODA, OPEL, ROVER, PORSCHE, AUDI, CIREOEN, MASERATI, RENAUL, FIAT, ABARTH, LANCIA, FERRARI, VW, BENTLEY, BUGATTI, PEUGEOT, BENZ, BMW ETC.
America	CHRYSLER, DODGE, JEEP, FORD, LINCLIN, GM, BUICH, CADILLAC, CHEVROLET ETC.
Asian	HONDA, ACURA, LEXUS, MAZDA, NISSAN, INFINITI, SUZUKI, MITSUBISHI, SUBARU, KIA, HYUNDAI, MARUTI, MAHINDRA, TATA, PROTON, PERODUA ETC.

DBScarIII Details

SPECIFICATION

Working Temperature: -10 °C~50°C
Power Consumption: ≤2W
Test Voltage: DC12V
Diagnostic Method: Bluetooth +Wired
Size: 69×40×18mm

X-431 PADIII Details

SPECIFICATION

Operating system: Android 5.1.1
Display: 10.1 inch 1920×1200
CPU: 2.0GHz Eight cores
RAM: 2GB
ROM: 64GB
Camera: Front 2mp/Rear 8mp
Battery: 15000mAh
Size: 323×189×34mm
Communication mode: Wi-Fi
